Limited Review Report

To, The Board of Directors, XL Energy Limited, Secunderabad

We have reviewed the accompanying statement of unaudited standalone financial results of M/s XL Energy Limited for the quarter and nine months ended 31st DECEMBER 2016. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Adverse observation:

As reported in note 2 & 3, Management has informed us that One-time settlement proposal (OTS) with Banks is in an advanced stage of completion. On completion of the same, the assets and liabilities as appearing in the books of account shall be reviewed and consequential effect on write off/ write back shall be done. At this point of time, the quantification of its effect on the balance sheet is not ascertained and quantified.

Based on our review conducted as above, nothing has come to our attention other than reported in preceding 'adverse observation' para that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and disclosure requirements) Regulations 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
